Leasing Program

As of Nov 1st, 2023

Leasing provides the opportunity to have more time building trust and skills with a horse/pony and gives the rider the opportunity to gain experience in what it is like owning a horse/pony.

Leasing will be available as quarter, half, or full lease options. Anyone interested in leasing a horse/pony MUST be a current participant in the lesson program at minimum of 1 lesson per week. (All lesson fees are NOT included in lease payments)

Quarter Lease fee: \$200/month

Includes:

- 2 rides per week (non-lesson at approx. 1hr/ride)
- 1st choice of leased horse/pony for divisions in LIU Horse Shows
- Waived lease fee for leased horse/pony ridden in LIU Horse Shows (riding other lesson horses/ponies will incur lease fee at show)
- Locker space in barn (standard size only)

Half Lease fee: \$300/month

Includes:

- 3 rides per week (non-lesson at approx. 1hr/ride)
- 1st choice of leased horse/pony for divisions in LIU Horse Shows
- Waived lease fee for leased horse/pony ridden in NON-LIU Horse Shows (riding other lesson horses/ponies will still incur lease fee at show)
- Locker space in barn (standard size only)

Full Lease - Rate of full board (\$650) plus all farrier and vet care payments.

A full lease would include exclusive use of that horse during the lease period including unlimited rides (within reason). Also, to include \$20 credit per lesson if horse still used in lesson program.

Includes discount on monthly lesson tuition at \$20 per month, if paid by 1st of the month.

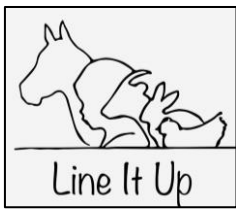

*Limited availability for certain horses/ponies at the discretion of Amy and will be individually discussed.

Lease Rides:

Lease Rides per week must be scheduled in advance to ensure horse availability. Lease rides are NOT lessons but opportunities to gain more time on leased horse/pony and self-improvement of riding skills. Lease Rides will **ONLY** include any jumping with instructor permission **each ride** and only with instructor presence on property.

Supervision:

Parents **MUST** stay on site during all lease rides unless prearrangements have been made with instructors on duty.

Riders will NOT be permitted to jump their lease horse/pony over jumps without prior express permission from Amy as it requires further supervision than the parents.

Make-Up:

NO MAKE-UPS will be granted for missed lease rides under any circumstances. The opportunity to lease an animal is the experience of owning the horse which includes the ups and downs.

Payment:

The lease fee will be paid monthly by the 1st of each month. Failure to pay or set agreement with Amy PRIOR to 3rd will result in lease immediately void for that month and there will be no guarantee to continue leasing agreements after that time.

Returned checks will incur a \$25 fee.

Paperwork:

An updated Lease agreement must be signed and on file prior to lease start.
